

James Boon, and wife Elizabeth, to Richard Barefield. 250 acres on Gum Branch, adjoining land of Peter Evans; March 31st, 1718. Test, John Gray, Wm. Crawford.

Indians came down Maherrin River and after that they began to take the name of Maherrin Indians; but being known the English on that side would not suffer them to live there, then they removed over Chowan River and Settled at Mount Pleasant where Capt Downing now live but being very Troublesome there one Lewis Williams drove them higher up and got an order from the Governmt that they should never come on the So. side of Wickkacones Creek and they settled at Catherines Creek a place since called Little Towne
